

Pine River Bulk Cold Pack Cheese Spread

A delicious, buttery smooth blend of Wisconsin Grade A Natural Aged Cheddar and other quality dairy ingredients. We have been crafting nationally-recognized, gourmet cheese spreads for 60 years. Our highly trained cheesemakers, exacting manufacturing standards, and a state-of-the-art cutter assure consistent flavor and texture in every batch of cheese spread.

Fun Fact #1:

Our Ball Cheesemix has a much firmer body than our regular cheese spread recipe and is easily molded into any shape, log or ball.

Our Ball Cheesemix has a much firmer body than our regular cheese spread recipe and is easily molded into any shape, log or ball.

Fun Fact #2:

Stores can scoop up multiple flavors in deli clam shell containers to give their customers a variety to choose from.

Fun Fact #3:

Stores can use these as a base to create their own unique flavors!
