PINE RIVER®

Gourmet Cheese Spread

Nestled in Wisconsin's hilly countryside, dotted by dairy farms, and near the Lake Michigan shore, Pine River has been crafting award-winning cheese spreads since 1963.

The richness of America's Dairyland right in our backyard, combined with state-of-the-art equipment, exacting manufacturing standards, and highly trained cheese makers ensures each small batch of cheese spread is skillfully crafted.

THE PINE RIVER DIFFERENCE

- Pine River Cheese Spreads have earned more than 170 awards, making us the Most Awarded Cheese Spread in the World.
- We combine five generations of experience in the dairy industry with a focus on innovation to continue to set ourselves apart from the competition.
- Our cheese spreads are made with a custom blend of 9-24 month old Grade A Wisconsin Cheddar, graded in-house by Licensed WI Cheese Graders.
- We use award-winning Grade A Butter from a local WI dairy instead of oils.
- Specifically formulated whey adds delicious flavor and smooth texture to our spreads.
- Our facility is Safe Quality Food (SQF)-Certified ensuring products are manufactured to the highest possible quality and food safety standards.
